Hello,

My name is Dr. Robert Freeman and I've been serving the mail order community now for some thirty years. Being the recipient of this exciting invitation may actually be the blessing you've been praying for. Becoming a part of our eclectic family of dynamic individuals will prove to be the most exciting and rewarding experience one could ever hope for. This is not hype!

We've put together such an amazing, yet incredible promotion, that not only does it allow as many households in our great country the affordable opportunity to jump on board, but in doing so, will literally canvas our country from coast to coast with the red, white, and blue of 'Old Glory!' Not only that but...

MAKING \$2,412,300.00 In The

Process WILL BE A REALITY!

This Is For Real! VERY REAL!!!

I Stake My Reputation On It!

Please read the enclosed flyer, call the 24-hour announcement, and make that most important decision to join us. You will certainly be glad you did! I KNOW YOU WILL! Thanking you in advance and looking forward very much to working with you and making all of our dreams come true.
