

# Instant Cash System

**TURN \$20 INTO THOUSANDS JUST TAKING ORDERS FOR A  
PRODUCT THAT EVERYONE IN MAIL ORDER NEEDS!**

If you are ready to finally succeed at making money, using a new system that anyone could do – are you tired of trying programs that promise you a lot but deliver very little, then this is for you! Honestly, you will have **SUCCESS** with this one. Everyone helps by sending a gift of \$20 cash payment to each participant in the program and you don't have to wait to sponsor five or more to get your cash. You get your \$20 cash payment straight from the people who join the system, not the monitor. There are no monthly payments to anyone – **EVER!** I also know what it's like to have to wait weeks or even months for people to receive their master copies after joining other programs. It not only slows the program down, but it slows members from making money. **THAT WILL NOT HAPPEN WITH THIS PROGRAM.** The Instant Cash System wants its members to succeed and make money!

Once the Instant Cash System verifies that all members have received their gifts, your Master Copies will be sent out in 24 hours or less, **GUARANTEED!** Another factor in this system is that no one knows who the Monitor is. This keeps everyone honest in sending in their gifts. The Monitors Anonymity ensures all participants and not just the monitor will receive their gifts from new members. There are (4) Positions below! You will receive gifts every time someone else joins using a Flyer with your name on it. The other positions are for other recent participants and the monitor. No one knows in which order they are in, only you and the monitor will know as soon as you join the program. This is a fantastic opportunity, so what are you waiting for?

Join this Cash-Generating system! You'll be glad you did. We look forward to hearing from you soon...
