

"THE BILLIONAIRES MAILING LIST"

WOULD YOU LIKE TO BE A BILLIONAIRE? WHAT ABOUT A MULTI-BILLIONAIRE? If you only get four people involved in this program, who will commit to getting four others involved all the way through level 20, by the time your name reaches the 20th position, you could have **hypothetically** received up to 33,151,160,320 orders from this circular. Each order is worth \$5.00 and 5 stamps in gifts. By the time your name reaches the 20th position, you could have **hypothetically** received up to **\$165,755,801,600.00 ! THAT'S RIGHT! MORE THAN 165 BILLION DOLLARS.** You may be saying, "Nobody's going to join this program when there are so many names on the list. It will cost too much!" Well think about this. Even if the list is full it won't cost any one person more than \$100.00 and 100 stamps to join. That's not a bad investment in my book. If a person is not willing to invest that small of an amount of money and enough effort to get this circular started for themselves, then in my opinion, they don't deserve to be wealthy. **This is by far one of the most lucrative circulars out there.** Once you get 4 or more people actively involved in mailing their own circular with your name on it, you can sit back and enjoy the flow of free gifts. **Imagine how much money you will have received by the time your name reaches the 20th position.** This is ten levels past where most programs stop. This program goes well beyond the traditional 10 levels, giving you the opportunity to earn 100 times the usual amount of money.

All you have to do to join this program is send each person on the list below a copy of this flier, \$5.00, and 5 first class stamps, and soon you will receive your own camera ready copy of this circular with your own personal ID # for monitoring purposes. Make copies of your circular, mail them to opportunity seekers, and start receiving stamps and cash gifts. You can also send your best programs to the people listed below.
