

🍁 Sycamore Creek's "The Power of 9" 🍁

A Small 2x3 Plan Producing a WHOPPING \$27,900 for Each Position

**No Sponsoring Required
Dealership Available**

Total Out-of-Pocket Expense ONLY \$120 + Postage

Just \$20 gets you started

➔ One \$20 fee to Sycamore Creek will buy you one entry in our small, fast-moving, 2x3 Group Matrix. Each person may hold up to 3 positions.

🌟 More positions are possible for those who do wish to sponsor others into the plan. 🌟

For each \$20 received, Sycamore Creek will place your name in the first open position in our company-wide matrix. If you request up to 3 positions simultaneously, these positions will be in consecutive order. In turn, 3 people will be placed on your first level and 9 on your second level. When your second level is filled, you will be instructed to send to Sycamore Creek \$100 for each position you hold. If we do not receive your \$100 within 21 days of your being instructed to send it, you may lose your position and the \$20 fee, with your position being given to the person two levels above you in the matrix. As soon as we receive your \$100 for each position, we will reserve a position(s) for you in our \$500 Matrix.

When all of the 9 positions on your second level have 9 positions filled on their second levels, your second-level 9 will be instructed to send \$100 each to Sycamore Creek to be distributed to you. You will receive from Sycamore Creek a check for \$900 for each position you hold.

As before, in the \$500 Matrix, when the 9 positions on your second level are filled, you will be sent instructions to send Sycamore Creek \$500 for each position you hold. In turn, when the second levels of all on your second level are filled, each of the 9 on your second level will send \$500 to us to be distributed to you (\$4,500 for each position).

Then, in the final \$2,500 Matrix, in the same way, you will be instructed to send to Sycamore Creek \$2,500 for each position you hold, to be distributed to one person two levels above you. The last stage of Sycamore Creek's "The Power of 9" is the \$2,500 that 9 people will send for you. That amounts to \$22,500 for each position you hold!

The Power of 9 x \$100 = \$27,900!!!

****BONUS FEATURE****—(Optional): Sending your \$100 early (before your matrix is filled) will reserve a position for you sooner in the \$500 matrix, qualifying you to receive funds early.

After you cycle through all 3 matrices, with another \$20 fee to Sycamore Creek you may then **RE-ENTER OUR \$2,500 MATRIX AND RECEIVE \$2,500 OVER AND OVER AGAIN!**

We encourage sponsoring to accelerate the program pace; however, no personal sponsoring is required to receive these funds from Sycamore Creek. Please review the regulations on taxable income (can be found at www.irs.gov).

\$ { Dealership available with your entry—For every position you sponsor, you will receive the \$20 entry fee as a commission! } \$
