## A Powerful, Surefire Money-Maker!

How much money can you make as a "Platinum Dealer?" Listen to what 2 of our long-time dealers had to say after testing the project out for just 3 weeks . . .

**#1** "First of all, I'd like to say that it was about time you guys developed this dealership. I'm actually earning more than I originally predicted. Eleven \$200 money orders came in my first 4 days, and I've made over \$1,400 a day for the last 17 days. I honestly can't see how anything could be easier. You've assembled a package easily worth 10 times its small price."

- William Mckey  
16 Month Dealer  
Georgia

**#2** "When I first looked at this dealership, I knew the profit potential was mind-boggling. I mean, only a few orders a week and you're earning more money in a month than most people who slave at their full-time jobs. So far, I've made \$8,200 in just under 3 weeks, and I can see myself pulling in as much as \$400,000 this year with very little effort."

- Linda Vasquez  
2 Year Dealer  
Nevada

Remember, you'll pocket a hefty \$200 on every \$297 order, and we'll handle everything. We'll even show you how to have thousands of your flyers printed and mailed with a service that actually guarantees you a 1/2% response rate. In other words, there's NO WAY you CAN'T EARN A FORTUNE!

## Look At How Much You Can Earn MONTHLY With Just A Few Orders A Day!

1 Order Per Day, or 30 Orders Per Month at \$200 (Your Commission) = \$6,000 Per Month!  
2 Orders Per Day, or 60 Orders Per Month at \$200 (Your Commission) = \$12,000 Per Month!  
3 Orders Per Day, or 90 Orders Per Month at \$200 (Your Commission) = \$18,000 Per Month!  
5 Orders Per Day, or 150 Orders Per Month at \$200 (Your Commission) = \$30,000 Per Month!  
10 Orders Per Day, or 300 Orders Per Month at \$200 (Your Commission) = \$60,000 Per Month!

Maybe you can't "see yourself" receiving 5 or 10 orders a day at this time. Well, believe me, it's much easier than you think. The "Platinum Dealership Package" is exactly what millions of opportunity prospects have been desperately searching for. As you

just saw, only 5 orders per day earns you \$1,000 a day, that's \$30,000 per month. However, if you still only see yourself getting only maybe 2 orders per day, that's still \$12,000 per month . . . a whopping \$144,000 a year! Just do the math.

As any mail order millionaire will tell you, the secret to making serious money . . . I'm talking upwards of \$50,000 or more per month . . . is to offer something very special that millions of people dearly want and need.
