One of the members is the **Name Broker**. Could be any one of the five, in any position.

If you do not send everyone a \$5.00 bill, and 5 first class stamps, you may not get any names. The **Name Broker** will send you 500 names, 100 for each participant, and some copies of this circular with your name in one of the 5 positions. Your name will stay on the list through **four generations**, so try to enlist at least ten new participants.

If everyone does the same you could end up with a **small fortune!**

**TRY THIS:** multiply 10 X 10 X 10 X 10 X \$5.00. How much was your total?

You will receive an equal amount of stamps — one stamp for every dollar you receive!

Be sure to order 100 names from each participant or you may not receive your names and your camera ready masters from the **Name Broker**.

### HERE'S THE BEST PART:

The **Name Broker** (name and address furnished with your order), will keep you supplied with "White Hot Mail Order Buyers" for only **one first class stamp per page of 33 names!**

Yes! I am joining "The Great American Name Exchange". After I complete this order form I will make 5 copies and I will keep the original. I will then wrap a copy around a \$5.00 bill and 5 first class stamps. I will do this 5 times, then mail the 5 wrapped bundles, one to each of the 5 members named above. I understand that as a member I can get all my future names by sending just 1 first class stamp for each page of 33 names. Minimum order is 10 pages.
