

# 80 Year Old Twin Sisters

## receive \$500/day in their mailbox from their little "Sunshine Club" & You can too!

Daisy & Dolly Adams...twin sisters who never married... are two of the sweetest ladies you would ever want to meet. A few years ago they formed a little group they called the "Sunshine Club". The purpose of the club was to make new friends and to share birthday gifts with each other. It began with a few ladies from their Sunday school class and quilting group. Then it grew to include family members and their friends and the rest is history. Today the club is worldwide. Very soon you can be going to your mailbox everyday...just like the twins... and find a handful of birthday cards...with each one containing a tax-free \$10 dollar bill inside!

Daisy & Dolly decided to name it the "Sunshine Club" because no matter what the weather is like on the outside or what you feel like on the inside...those birthday cards are like warm rays of sunshine that fill your heart with love, joy, peace and hope. Money has a way of making life just a little easier...and it certainly has for the Adams twins. They no longer have to struggle to survive on their Social Security checks! In fact, they have accumulated a small fortune which they plan to leave to their Church and their nephews and nieces.

The "Sunshine Club" is a private beneficent networking organization of friends... much like a private investment, travel or garden club. Membership in the club is free & all you do is share a \$10 birthday gift with 5 other members. The occasion doesn't matter...Christmas, Hanukkah, weddings, anniversaries, birthdays...receiving cards in the mail with tax-free cash inside is a great feeling! First it's a few cards each week as you begin to sponsor...then as your 5 level network of friends grow...the \$10's start coming in everyday and they never stop! Imagine going to your mailbox everyday and receiving 10...20...30...40 or 50 birthday cards... each with a crisp tax-free \$10 dollar bill inside!

Daisy & Dolly have put together a 5-page guide ( you will receive one page from each of the 5 members you share a gift with ) entitled... "A Lifetime of Sundays" ...which explains in detail all you need to know about the "Sunshine Club" and how to get started. They decided on that title because Sunday is a day to rest & relax. It's a day of peace and thanksgiving. It's a day to take a nice ride down a country road or simply enjoy a delicious meal with family and friends. Thanks to the "Sunshine Club"...the twins feel like every day is a Sunday and soon...you can too!
