

THE HOTTEST SELLING PRODUCT IN MAIL ORDER IS

MAILING LIST NAMES

If you are a mail order dealer, you'll want to have mailing lists in your product line.

Here's a fun way to sell names and maybe make a lot of money while doing so.

THIS IS THE BEST PART!

You just open up the envelopes and take out the cash. You don't have to fill any orders or even acknowledge the order, if you don't want to!

YOU'LL GET 500 FRESH AND RESPONSIVE NAMES!

• Send \$5.00 cash to each Dealer on the list. One of the Dealers is the Name Broker. The Name Broker will send you some copies of this brochure with your name and address first on the list of Dealers, and 500 quality names. Your name will cycle through all the positions.
