

"The \$10 TenStep"

Turn \$10 Into Unlimited Income

The \$10 TenStep is a single line matrix. Entries are placed one under the other as received. Each Step is a single line matrix (3 Steps or 3 single lines). You are moved to the next Step each time you qualify. Your \$10 is leveraged through the 3 Steps. Each time you cycle you are given a re-entry into Step 1, a re-entry in the same step you get paid in, and an entry to the next step.

The \$10 TenStep is a 100% legal program as it involves the sale of a product. You receive 30 mailing list leads on peel & stick labels for each entry you purchase. These leads can be used for any purpose you choose. We will replace each nixie or undeliverable returned to us within 60 days with 10 names plus we'll include \$1.00 cash for your handling fee. If you do not want or will not use the leads, please let us know. You may choose to receive 15 \$10 TenStep flyers or a one month subscription to the STW newsletter.

The \$10 TenStep pays daily on all completed cycles. Each time 10 entries enters the single line matrix the person on the top of the matrix qualifies and gets paid. Each time you are paid, three things happen, you are re-entered in the same matrix, given an entry into the next Step, or given re-entries in the reverse Steps (See The TenStep Program chart below)

You only need to purchase one entry to qualify for payouts, however you may purchase as many entries as you wish. If you purchase two or more entries at a time they will be spaced 10 entries apart. The reason for this rule is not to allow entries to be bunched together in a single line matrix. You will be allowed to purchase entries in the 2nd and 3rd Steps provided a 1st Step entry is purchased each time. This will be explained and available after you receive notification from us of your 1st Step entry with this flyer.

The system keeps the lines moving up so everyone can cycle. Unlike traditional MLM where you have to build downwards, in a single or straight line matrix you start at the bottom and move up. The one question most often asked is how long will it take me to cycle in Step One or through all cycles? That question cannot be truthfully answered. The speed or length of time it takes to cycle is solely dependent on how fast the program grows, in other words, the number of participants signing up and the number of those participants that actively promote the program. Impossible to predict.

The program is called TenStep because it takes 10 entries to qualify the top person for a commission, 20 entries to qualify the 2nd person, etc. When a person qualifies in Step 1, that person is moved to the bottom position in Step 2, etc.

Why should you join "The \$10 TenStep" Program?

- A very small investment leveraged into unlimited income. One entry can create multiple income over a period of time.
- No Sponsoring is required. However, no program is completely successful unless recruiting is done. Therefore, we offer generous sponsoring bonuses for those that choose to work. Each time someone you sponsored gets paid you get paid. Every time.
- Continuous re-entries that keep boosting people to the top. The re-entry fees are a withholding from those that receive payouts to help boost people below them to the top plus put you in a position for additional payouts.
- 90% plus of all money received is paid out.
- No commitments. Purchase one entry only, one per month, or as many entries as you'd like.

NOTES:

You will receive a read out each time you purchase an entry or you get paid explaining your disbursements and listing your entry numbers. Sponsors will be notified as to who received payment for their sponsoring bonus. All payments are made by company check.

Code numbers will be used for tracking. If you are a member of STW you will use your STW membership number. Non-members will be assigned a number.

NOTICE: We make no claim that any agency of governmental authority has approved the pay plan or the program.
