

The Classic Doubler

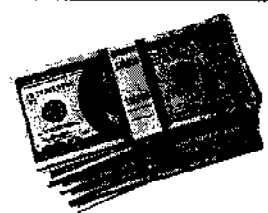

"Nothing Beats a Classic!"

Dear Friend;

Tired of not seeing a return in your mailing program? Frustrated with the cost of stamps these days? Or do you simply want to make some real money with an honest company while working in the comfort of your own home. Introducing *The Classic Doubler*, from your friends at TCS. This program was designed for people who are serious about earning some real money - Fast! Those \$5 and \$10 programs may look appealing at first, but it's truly rare that you see any return on them, and the profits don't add up to cover your basic printing and postage. With *The Classic Doubler*, you will not have to pay a monitor some ridiculously large fee, nor will we make any promises we cannot keep. Some programs like to make false promises, like saying they'll "mail for you". They know you have no way of tracking this, and more often than not, you're throwing your money away for a service that never happens.

"This program was designed for people who are serious about earning some real money - Fast!"

The Classic Doubler is a simple 2-Level Program with a Feeder System - STAMPS! You keep track for yourself; who you're sending to and how many programs you've mailed out. You'll be making **BIG MONEY** in no time, plus a never-ending supply of stamps to continue mailing. There's no waiting either because the money comes from and goes directly to the Members.

You will receive:

- A Phone Card that lets you call anywhere in the U.S. for an entire day once activated.
- Your Custom-Made Master Copy with you in the 1st Position.
- A Mailing List Source for creating and growing your own mailing list.

Getting Started

Send a \$100 Money Order (no personal checks, please) made payable to the Member in Position 1, and send 100 Stamps (5 books) to the Member in Position 2. Be sure to send them a copy of this completed flyer too. Then send \$20 cash, check or money order made payable to Tom Salisbury (Monitor) at the address below, along with a copy of this completed flyer. You will receive a Phone Card that you can use all day long once activated, your custom-made Master Copy with you in the 1st Position to receive \$100, and a list of excellent sources for mailing lists so you can add to your existing list, or start a new one.

Once enrolled, every new member you enlist will earn you \$100, and you will go into Position 2 on their Master Copies. For every new member they bring in, you'll earn yourself 100 stamps! Use the stamps to mail more of *your* flyers out, and this potentially never-ending cycle can earn you a constant and steady supply of stamps and cash! This program is monitored closely, so there will be no cheating. I will confirm every order when I mail out your products. This is a powerful, fast-paced program, that has incredible potential for a residual income. The first step has already been taken for you - the rest is up to you. Good luck, and best wishes.

YES! I want to become a member of **The Classic Doubler** and start making money today!
