At Low Factory-Prices!

FOUR OF THE MOST USEFUL IMPORT GUIDES EVER PUBLISHED... MUSTS For Every Wholesaler, Jobber, Retailer or Direct Mail Marketer!

WHY PAY MORE?

... when you can buy right from the source! Learn who the sources are ... where the sources are ... what products they sell ... how to contact them. All in these information-packed importers' guides.

DISCOVER FOR YOURSELF

Discover the immense profits just waiting for you when you eliminate the middlemen and buy directly from the factories in the Orient. Buy right from the source at low factory prices. Markup percents of hundreds ... even thousands await you. All you need is the information contained in these four valuable trade directories.

NO MORE SECRET SOURCES!

Because now you have access to them all. Sources used by large and small US merchants alike. Closely guarded sources previously known to only a few US companies. Now you can gain access to this previously secret information.

IMPORTING IS EASY!

No expensive courses to take. No associations to join. No hidden costs. Your only cost to contact these exporters is your time and postage and the small price of the directories.

ALMOST AS GOOD AS A VISIT!

If you could only visit these sources in their own country you would see for yourself the fabulous merchandise they have to offer. For most of us, this is impossible. And up to now, you did not know how to contact these sources. And they didn't know how to find you ... the interested party! But with the publication of these information-jammed guides, you now have the factories, exporters, chambers of commerce and more right at your fingertips! All you need is the directory and the price of a few stamps.

UNBELIEVABLE BARGAINS

Yes, bargains galore. Merchandise that you can purchase at a fraction of the state-side cost! Perhaps even an undiscovered product that will make you a millionaire.

All these products, the manufacturers and how to make contact with them is at your fingertips with these dynamic, easy-to-use guides. Who knows ... perhaps you'll be the one to discover the next hula hoop ... the next novelty that will put you on the road to easy street.

Here's just a smattering of the exciting and unusual products available to you through the resources in these directories!

Watches ... costume jewelry ... fashion accessories ... small electronics ... major electronics ... tools ... small machinery ... power tools ... vacuums ... lamps ... decorations ... household appliances ... electronic gadgets ... toys ... games ... sporting goods ... knives ... office equipment ... batteries ... car accessories ... photo equipment ... canvas products ... canned foodstuffs ... men's, women's, children's clothing ... handicrafts ... umbrellas ... stationery ... novelties ... auto parts ... reptile skin products ... bamboo products ... shoes ... textiles ... furniture ... live fish ... aquariums & accessories ... clocks ... silk flowers ... porcelain figurines ... paintings ... aluminum products ... abrasives ... feeds & fertilizers ... glass products ... cassette sound & video tapes ... plastic items ... calculators ... chemicals ... radios ...
