

## International & U.S. Wholesale Sources On CD-Rom

### BUY AT WHOLESALE AND BELOW!

Choose from products that sell like crazy and can bring you major profits. You'll find scores of suppliers who will ship directly to you or drop-ship right to your customer. Locate the primary sources for the "hottest" products and save big by avoiding the middleman. Whatever the product, whatever your area of the world, these manufacturers and distributors want to help you out. Discover a world of fantastic items that can make you rich!

### MOST CURRENT INTERNATIONAL & U.S. SOURCES

Hundreds of pages and thousands of addresses, phone numbers, email and WebSite addresses. We have also scoured the Web for the latest International sources and contacts. Included are dozens of URL's listing hundreds of current on-line directories for products from almost every exporting country! Imagine if you were the first one to find and import the next HOT "hula-hoop" type product!! YOU COULD RETIRE IN A YEAR! Find out where to buy items at extreme wholesales prices like the resellers on E- bay(tm) do. We supply direct Web links to the wholesalers used by top Ebay(tm) resellers.

### CURRENT ON-LINE DIRECTORIES

Another Web Site we show you has trade directories listed for over 60 countries!!! - On-Line directories that are kept current so you never have to purchase this information again! Many of the companies have a low minimum order! SOME COMPANIES HAVE NO MINIMUM ORDER!! Many U.S. companies will drop-ship right to your customer's door.

### BUY DIRECTLY FROM THE PRIME SOURCE

Asia is where many of the new, high-quality products are manufactured. Many Asian companies will source any item you want! Buy directly from the prime source!! This is a ground-floor opportunity!! This is your big opportunity to cash in!!! Don't let another day go by without taking action on this offer. These suppliers are just waiting to hear from you and they WANT TO HELP YOU make a ton of CASH! Discover the huge profits

If you sell products on-line or are thinking about starting an on-line business THIS CD IS A MUST!
