

**ARE YOU TIRED OF BEING BROKE?  
IS YOUR WALLET MORE EMPTY THAN FILLED?  
ARE YOU READY FOR A PERMANENT CHANGE?**

**>>> Revised 3/17/2006 <<<**

If you answered "Yes" to all three questions ... read the rest of the contents in a quiet place ...

**THE SOLUTION IS HERE:** We market a legal Monthly Newsletter with regards to "Marketing Strategies." A product which most everyone can benefit from, to become better marketers of direct mail opportunities. PLUS, unlimited income without spending more than we can make.

Multi-Level Marketing (MLM) is the one and only system where one initial sale can pay you commissions for as long as the purchaser (buyer) remains a customer and pays the required renewal fee. This program uses a small 2x3 forced Matrix (14 positions to fill it) for fast/continuous residual income. Progressive Commissions Through Six Steps ... Then Repeat Step Six ... Over and Over ...

**NOT A CASH GIFTING PROGRAM:** Sales of our Newsletter Subscriptions must be made to earn sales commissions. AND, each Subscriber/Marketer is allowed ONLY two sales ( W I D E ) on their first level Downline. Two personal sales, or they may come from Upline, due to the forced Matrix design, producing "spillover." That's just two sales that everyone will ever need to receive commissions and the built in residual income from your third level Downline ... sent directly to your name/address. New Applicant Commissions sent from Profina, Inc.

**PROGRESSIVE COMMISSIONS:** We didn't invent this program payout structure ... we just improved it. With a Monthly Newsletter product to accompany the most outstanding payout system anywhere, this may be termed, "The Best Program On The Planet." The payout structure is uniquely progressive through six steps ... and the program is so very affordable for everyone. PLUS, VERY LUCRATIVE INCOME!!! Dropoffs will be a thing of the past. No quitters here with this kind of income. (See page two for details)

Another unique feature of our payout structure is; every new Subscriber's out-of pocket cost is ONLY \$40 Total. \$20 Application Fee to get started today, plus another \$20 Commission for your 3rd Upline Person (\$40 Total Out-of-Pocket). Genealogy printout verifies UP-line information (Name/Address, etc.). Starter package sent by 1st class mail within 48 hours. Fastest turnaround time in the industry.

**WHEN AND HOW YOU GET PAID:** Your commissions are earned from eight (8) sales to 3rd level Downline Subscribers, per Step. You send and receive Certified Bank Checks in Step Three and beyond. Remember, this is a business, and there is nothing better than sending/receiving Certified Bank Checks. No problem sending them regular mail or Priority w/tracking. Each Step paid to you ... 8 per Step ... before advancing to the next Step. NO RISK!!! A very profitable business that everyone wants and needs.

Eight earned commissions you receive from each Step, places the funds in your hands to continue ... plus a profit ... when completed. No more out-of-pocket expense ... ever! Simply pocket your share of the money and SAVE the designated amount for advancing into the next Step.

You can't beat that with a stick!!!

**NOW THERE IS NO EXCUSE FOR BEING FLAT BROKE!** Your money worries can be left behind where they are today. Your tomorrows will bring excitement when the money starts landing in your mailbox. No additional work on your part and you'll know that success has finally arrived just as promised.

See page two for more details and recap of our "SUCCESSFUL MARKETING STRATEGIES" program and commission structure.
