Dear Entrepreneur friend:

If you are just starting to look for a work at home, or get rich money making system, before you find a system that works, you could spend a lot of money, and a lot of valuable time. I have tried more systems and been disappointed, many many times. But don't get disappointed and give up. There's some systems that will provide you a good income, and some that can make you a millionaire.

We are offering something that you be interested in. Something that does not take an arm and leg to get into. If you are just starting out you probably are looking for something that does not take a lot of money. And very little of your time. Millions are being made using the WEB. If you have a product to put on the web that people need and want you can make money on the web, and not be out all that postage and time stuffing envelopes.

**We will even get customers to read your offers on your website... FREE OF CHARGE! Yes! We will advertise your new website address on 7 (SEVEN) of our professional and famous websites! See all our websites at: <http://www.MailOrder-HQ.com> We will also e-mail your new web site address to 5,000 buying opportunity seekers just to get you started on customers visiting your site! There's no other deal like this around!**

We sincerely believe that the WEB for \$11.11 and the SECRET CASH FORMULA tops them all. you get your 8½x11 circular placed on the web for a full year for only \$15. In addition you will get a Hot Dealership. When people order the WEB Address from you, you get to keep \$10 for your sell.

So, just fill the forms out and get them in the mail. We sincerely believe you will be glad you did. This is your chance to have your own money making business for practical nothing and very little of your time leaving you free to do other things, work at your regular job, or take a vacation.

Don't miss out on this once in a lifetime to have your very own business.

Yours for success,

*Ray King*
