

FACT SHEET - INFODISK ULTRA

Over 3,000 Pages

INFODISK ULTRA is an Electronic-Book which contains over 3,000 printed pages of Royalty-Free Money Making Reports, Guides, Reviews, Books, Articles, etc. that you can copy and resell in digital or printed form.

6 REAMS OF PAPER & OVER 15 POUNDS

If the Infodisk ULTRA were printed on paper, it would take 6 Reams of bond paper, weighing over 15 pounds - - that's how much the Infodisk ULTRA is worth in terms of volume!

If you were to print all 3000+ Pages of the Infodisk ULTRA (even at 3½ Cents Per Page), it would cost \$108 for printing alone. Then, add to that the cost of shipping a 15-pound book - and you'll get the idea why we produced Infodisk ULTRA on CD-ROM!

IT'S THE ULTIMATE "REPORTS" CD

Infodisk ULTRA features Best Seller Reports, Classic MoneyMakers, Home Business Reports, Financial Reports, Trends, Forecasts, and Reports that deal with a multitude of varied opportunities!
