

DO YOU NEED A QUALITY MAILING LIST?

8 GOOD Reasons For Using Our Name Lists:

REASON #1: The list you buy must be fresh. New names are added to our lists daily and we discard old names rather than sell them.

REASON #2: The list you buy should be as accurate as possible. Our names are added and constantly updated using the latest computer equipment and systems. This means you get a minimal amount of undeliverable mail.

REASON #3: Each segment of our lists are limited in the number of times they are distributed. This means you are not mailing to overworked, worn out names.

REASON #4: Our names come from individuals who recently have responded to money making or opportunity type ads from various sources. These include many magazines like Entrepreneur or Income Opportunity, newspapers, mail order oriented publications, computer bulletin boards, the Internet and advertising card decks.

REASON #5: Our prices are quite reasonable considering the quality and freshness of the names you receive. Others may sell you names that are a year or two old for what may seem like a real bargain. Don't fall for it! Let us assure you that all you'll get using outdated, cheap names is a pile of undeliverable mail and very few orders.

REASON #6: All names are furnished on easy to use, pressure sensitive, peel 'n' stick labels and we over supply our names by about 5%. That means if you order 1000 you can expect to receive about 1050 names.

REASON #7: All list orders are promptly processed and are mailed to you by first class or priority mail. You won't have to wait for weeks to get the list in your hands.

REASON #8: We are so sure that our names and addresses are accurate and deliverable that we will replace any returned, undeliverable name(s) on a 5 to 1 basis.
